Team Members/Roles:

Anthony Branson: Team Leader

Jiahui Quan : Team Webmaster

Samuel Eue : Key Concept Holder

Benjamin Engh : Team Communication Leader

### Weekly Summary

This week we are mainly preparing the presentation, and still continually work on the second bus setup.

### Individual contributions

<u>NAME</u>	<u>Individual Contributions</u>	<u>Hours this week</u>	<u>HOURS cumulative</u>
Ben	Software modification Presentation	4	87
Jiahui	Website maintenance Weekly reports Presentation	4	94
Anthony	Meeting coordination and client/advisor communication Presentation	4	75
Samuel	Software/hardware modification Presentation	4	74

### **Plan for coming week**

- Second bus setup
- Filter EMG data for clients' specified values
- Determine time for saving the output in order to get accurate angles from gyroscope reading
